

Highworth Phoenix Diving Club Newsletter

WELCOME to all our new members. I hope everyone finds this, our 2nd newsletter interesting. Please read it!

We were lucky enough to have a Volunteer to put the 1st one together but sadly they have left the club. If there is anyone out there who has a couple of hours per term to edit and produce a newsletter from items sent to them, then please make yourself known! In fact, the club couldn't run without volunteers so if you can offer any help in any capacity then we would love to hear from you.

In future we intend to distribute news via email.

Let us know if you DON'T want us to do this.

Club Championships - March 2009

Congratulations to everyone who took part in this, our first at the Rec. I hope everyone enjoyed it as much as the coaches! It was good to see so many parents come along to watch.

St Albans Diving Competition Saturday 9th May 2009

Congratulations to all those who took part in this event – our first under the Highworth Phoenix Name. It was a very, very long day with the first competition at 1pm and the last one finishing at 9.45pm. Well done to Katherine for staying awake until we got back to Highworth at 11:30pm.

During the only training available at the pool side there were over 100 divers queuing up for the boards and our divers only managed 2 dives in the hour. For Sydney and Katherine there was then a wait of several hours until their event. Everyone is to be congratulated on their patience and good behaviour (including the coaches!)

Tim's wait until 8:30pm was rewarded with a silver medal – so well done! Aimee managed a fantastic 8th place in her first diving competition.

A big thanks to Mrs G for supplying the coaches with coffee to keep us going and to Colin Nicholls for driving us.

Group A	Tim	2 nd
Group D	Aimee	8 th
Group D	Jake	19 th
Group C	Katherine	14 th
	Sydney	15 th
Group E	Josh	17 th

Remember – there were at least 20 divers in most groups and

Thanks to everyone for bringing the divers and supporting the club. Hope to see you there next year when we will take more divers and probably be including some synchro pairs in the competition.

Synchronised Diving Competition – Monday July 20th

As you may have noticed, divers have been doing some synchronised diving (or jumping!) so we are organising a little competition during usual club time on our last Monday of the term. This will include all divers and perhaps even a coach or two? We'll give more information nearer the time but if you know you won't be around that day **PLEASE LET US KNOW** – as it will be very unfair for divers to find themselves with no partner on the day

Spectators will be welcome.
